**About UNICO** ~ UNICO is the largest Italian American Service Organization in the United States  
Unity, Neighborliness, Integrity, Charity, Opportunity

UNICO was founded on October 10, 1922, in Waterbury, Connecticut. A group of 15 men, led by Dr. Anthony P. Vastola, came together to create what has become a very special and very proud organization. It was Dr. Vastola's dream to create an Italian American service organization to engage in charitable works, support higher education, and perform patriotic deeds. Our motto is "Service Above Self".

Each year, the UNICO Foundation and the UNICO National Chapters across the country donate approximately \$1 million to various charities. Scholarships continue to be the primary focus of UNICO, as roughly one-third of all monies raised goes to deserving students from all the chapter locations throughout the chain.

UNICO National has funded major research in Cooley's Anemia and Mental Health. Through its association with the Jimmy Valvano Foundation, it has funded over 10, \$50,000 grants to help find a cure for Cancer. These worthy areas continue to receive generous support from the chapters and its members for these worthy causes.

If you would like to attend one of our meetings to see if you might be interested in joining UNICO, please contact us through any member, or through our email. We would be honored to have you as a member of our Passaic Valley UNICO Chapter.
